**UNIVERSITÉ NATIONALE  
DE VANUATU**

## **Climate Resilience and Humanitarian Action (CRHA) – Project and Program Management (PPM) – Course Lecturers**

The **National University of Vanuatu (NUV)** was established in **January 2020**. Located in **Port Vila**, its purpose is to provide **higher education advancement and lifelong learning**, through **academic and professional excellence, training, teaching, and learning** in the **English and French languages, research, and international cooperation**.

### **CRHA DIPLOMA PROGRAM**

The **National University of Vanuatu** has been offering the **CRHA Diploma** since **2023**. This program is uniquely designed to address the **climate change challenges** and the **training needs of Vanuatu and the region**. Using an **interdisciplinary approach**, fully aligned with **national and regional plans**, NUV's **CRHA program** provides Vanuatu professionals and students with much-needed skills in **climate change, humanitarian action, and climate policy and law**.

### **PART-TIME LECTURER OPPORTUNITIES**

The **National University of Vanuatu (NUV)** is seeking **qualified candidates** for **Part-Time Lecturer** positions in its **Project & Program Management (PPM) Professional Micro-Credential (PMC)**. This program equips students with **essential skills** in:

- **Project design,**
- **Monitoring and evaluation,**
- **Administration,**
- **People management,**
- **Logistics,**
- **Finance, and**
- **Funding**—key areas in the field of climate resilience and humanitarian action.

### **COURSES AVAILABLE**

NUV is currently looking for **Part-Time Lecturers** to teach the following courses:

1. **CRHA 201 – Managing CRHA Projects & Programs 1: *Design, Monitoring & Evaluation***
2. **CRHA 202 – Managing CRHA Projects & Programs 2: *Administration, People Management & Logistics***
3. **CRHA 203 – Managing CRHA Projects & Programs 3: *Finance & Funding***

Interested applicants **must have relevant academic qualifications and proven industry experience and or teaching in project and program management, humanitarian action, or related fields.**

The courses will be delivered in semester one and in semester two, interested candidates should indicate their availability to teach for one or two semesters.

## REQUIREMENTS

**Qualification Required:** *Masters [MSc] in Climate Change, Ecology, Disaster Risk Reduction, Project and Program Management, Applied Research and other relevant fields from a known institution.*

**Teaching Experience:** *Demonstrated teaching experience in higher education – with number of years*

Open to **Vanuatu citizens, residents, and external candidates.**

## DURATION & REMUNERATION

**One course duration:** 17 weeks over 1 semester

**Lecture Schedule:** *3-hourly basis per week for 17 weeks per semester*

**Remuneration:** *Based on qualifications and experience*

## APPLICATION PROCESS

Interested candidates will submit:

- An Expression of Interest (EOI)**
- A recent CV**
- Contact details of two referees**
